

Graeagle Independence Day

April 14, 2020

In light of the public health guidance related to the coronavirus (COVID-19) pandemic, the Graeagle Independence Day Committee has decided to cancel the 2020 Graeagle Fourth of July Celebration, for July 4-6 in Graeagle.

While the committee understands the cancelation of this event will be a disappointment, public health and safety must come first. The committee is following the public recommendation of Doctor Mark Satterfield, Plumas County Public Health Officer, who stated in the Portola Reporter, "Events which would draw a large number of attendees wouldn't be advisable — such as High Sierra or the large Fourth of July celebrations."

The Graeagle Independence Day Committee plans to celebrate the big event next year.

Sincerely,

The Graeagle Independence Day Committee
